# Bible Reading Plan

2025–2026 (Old Testament)

This Book of the Law shall not depart from your mouth,  
**but you shall meditate on it day and night,**  
so that you may be careful to do  
according to all that is written in it.  
For then you will make your way prosperous,  
and then you will have good success.

Joshua 1:8 (ESV)

# FOREWORD

Then [Jesus] said to them, “These are my words that I spoke to you while I was still with you, that everything written about me in the Law of Moses and the Prophets and the Psalms must be fulfilled.” (Luke 24:44 ESV)

The Law of Moses and the Prophets and the Psalms comprise the books that make up the Hebrew Scriptures, the Tanakh, which Christians today call the Old Testament. Our Lord Jesus said that everything in them is “written about me.”

This explains how Philip was able to explain to the Ethiopian eunuch that the one who was led like a sheep to the slaughter in Isaiah was Jesus (Acts 8:30–35). There was no New Testament yet. The Old Testament was the “Bible” of the early Christians, from which they preached Jesus as the Messiah of God.

There is no greater motivation to read the Old Testament in its entirety than this. There is more to it than just stories about Abraham, Isaac, Jacob, David, the nation of Israel, etc. It is about Jesus. Perceptive readers will find various places in the Old Testament where they will be able to catch an echo of the Messiah.

You are about to embark on an exciting venture. For a year, you will be reading through the Old Testament, Genesis to Malachi. Commit to it daily. Treasure the moment. Draw from your reading the many benefits. Firstly, to experience how the Old Testament anticipates the New Testament. Secondly, to hear Jesus speaking to you about Himself, like He did to the two disciples on the road to Emmaus. Thirdly, to equip you to better understand the New Testament, the climax of the story, which begins in the Old Testament.

Blessed is a person who fears the LORD,  
Who greatly delights in His commandments. (Psalm 112:1b NASB)

May the Lord bless the reading of His Word.

In Him,  
Ps Vincent Lee

# TIPS FOR USING THE BIBLE READING PLAN

As we read and meditate on God's Word daily, may we grow closer to Him. Here are some tips to help you complete the Old Testament in one year.

## Think Relational, Not Routine

- Bible reading is not a homework assignment from God, but a way that God has provided for us to know Him intimately. Do not let it become a box-checking activity.
- Set aside a fixed time each day according to your preference, and keep it free as much as possible for your Bible reading.
- Start reading as if you're in conversation with God. Begin and end with prayer.

## Set Realistic Goals

- Aim to complete your daily reading according to the plan in this guide, but missing a day or two does not mean you have failed.
- Catch-up days have been scheduled to help you stay on track if you miss your reading/s.
- If you are on track, feel free to take a break or use the catch-up day to reflect more deeply on the readings / summarise what you have gleaned.
- If you fall behind, don't give up! Pick up where you left off and try to catch up as much as possible. Alternatively, skip the days you have missed and pick up on that day's readings.

## Use Different Platforms

- This Bible Reading Plan is available as a PDF or in hard copy. Use it to help you track your progress.
- Use an audio Bible while commuting or exercising, or to accompany your reading.
- Watch the summary video by **The Bible Project** before starting a new book. (Links to the videos are embedded and printed herein.)
- Journal your reflections, especially after completing each book of the Bible.

## **Form Accountability Groups**

- Form a group of two to three friends (Bible Buddies) or members from your small group for accountability.
- Share key learnings and takeaways during your regular small group meeting (or with your Bible Buddies).
- Complete the daily readings together as a family (include your children, if any!).
